## Licensing Update

Please be advised that effective June 1, 2021 Kristen Bassett-Berkiw will attend Licensing appointments either in person, or virtually while on restrictions. We have made this change in order to focus your Support Worker directly to in-home support.

### What you can expect with this change:

- Your FCSW remains involved with any follow up and may attend when there are recommendations
- Kristen will follow up on the documents and paperwork required for Licensing
- Consistent messages from Pathways as it relates to Licensing

As an agency we are asking our Pathways Foster Parents to continue to follow the documentation expectations and timelines as required by you, the License holder. Our resources are best utilized when directly supporting your home rather than following up repeatedly on outstanding paperwork obligations. Please prioritize the reminder notices you are receiving.

Deadline for submissions to the July Newsletter is Thursday, June 10th. Contact Marla at (780)442-0113 with information or email [marla.schole@pathwaysfamilyservices.com](mailto:marla.schole@pathwaysfamilyservices.com)
